

# International Union of Bricklayers' and Allied Craftworkers

Terrazzo Workers    Tile Layers    Marble Masons

LOCAL NO. 3 of WASHINGTON / IDAHO / MONTANA

I \_\_\_\_\_ give The Numerica Credit Union of Spokane, official authorization to put a "hold status" on my account for my initiation and/or other monies owed to Bricklayers & Allied Craftsmen Local #3 of WA/ID/MT. I understand that until my debt is paid in full the Bricklayers Union has authorization to deduct the balance of my initiation and/or other monies owed and at that time the "hold status" will be removed by the Union and I will have access to the remainder of my balance.

It is my responsibility to have my initiation paid within ninety (90) days, at which time I will be responsible for monthly local union dues, regardless of whether or not I have completed paying my initiation. If my dues (dues on the first of each month) fall 3 or more months behind, this document gives authorization for BAC Local #3 to sign me up for regular dues deduction from my credit union account.

I am aware that IT IS MY OBLIGATION TO PAY MY INITIATION to BAC Local #3, WA/ID/MT and that by signing this form as a back-up method of payment that it does not relieve me of my obligation of paying my initiation within the ninety (90) day time limit.

If the entire initiation amount is not paid within the ninety (90) day time limit, I understand I will forfeit the total amount of monies paid toward my initiation. This forfeiture will be at the discretion of BAC Local #3 WA/ID/MT.
